23 SUBSIDISED FUNDED TRAINING

Welcome to AIWT! It is a pleasure and an honour to introduce myself as the CEO of AIWT. AIWT has a team of dedicated, industry experienced trainers/assessors, and a highly skilled administration team to support students from enquiry to graduation, and beyond!

Our goal at AIWT has always been: PASSION and EMPLOYABILITY. Together, guided by our values – to be genuine, passionate and progressive – we believe our students will be prepared for tomorrow.

Traditional views place vocational training as a second choice if a university pathway is not achievable. What most parents and students do not realise is vocational graduates enjoy a much higher employability rate than university graduates, and such artisan jobs will long remain beyond most computer-replaced university graduate roles. We guide our students to nurture their passion and start their rewarding career. Many of our graduates then become very successful entrepreneurs and business owners.

We aim to prepare our students to find a job as soon as they graduate, if not sooner. And we do that by focusing on the individual and working together to ensure a smooth learning journey. We also work very hard with employers and industry experts, to ensure that our students are equipped with what is relevant to industry, therefore increasing their employability. Come and be part of AIWT. I look forward to meeting you soon.

THE AIWT EXPERIENCE

EXPERIENCED TRAINERS

Our trainers bring to their classroom a wealth of teaching experience, industry knowledge and a unique approach to delivering world-class education and training.

HEALTH

All AIWT staff and trainers are fully vaccinated for COVID-19. Policies are in place to ensure that students' mental and physical health are of utmost priority.

GREAT VALUE

With competitive tuition fees and practical workplace relevant training, AIWT courses offer great value.

AIWT CAMPUS

Our campus is located in Perth City. The campus is situated in close proximity to public transport such as the FREE City CAT buses, train and bus services.

PRACTICAL TRAINING

Students can undertake work placements and be better prepared to enter the workplace with real-world experience. Students also have opportunities to talk with industry representatives and discuss relevant contemporary workplace issues.

HIGHER EDUCATION PATHWAY

You can choose to progress on to a Bachelor with one of our Higher Education partners! AIWT has pathway agreements with Universities which means you can get credit exemptions

FAMILY ORIENTED

At AIWT we like to treat all our students as part of the AIWT family. This means that we care for our students not only when it comes to their studies but also regarding their general well-being. Our staff are trained and prepared to assist students with a range of non-academic concerns.

We are located at 823 Wellington Street (Ground Floor), West Perth, WA 6005

"I began my career in the real estate industry in 2010 and within 4 years, I started my own company, Trident Property Partners. Over the next few years, I collected numerous property awards and was recognised as a leading property strategist in the real estate industry.

On 1st July 2019, Trident Property Partners joined forces with IQI Global, a leading global real estate and investment advisory agency, to form IQI WA. Over the last 10 years, not only have I found financial success and personal recognition, but it has also provided me with flexibility, giving me the work-life balance of my choosing.

The best thing about a career in real estate – it is not limited to those with higher education. Anyone with determination and a willingness to work hard can make a fortune. And there is no limit to your success. We are now working with AIWT as I want to share some of my success with the next, upcoming generation of real estate professionals. AIWT provide training for those keen to start a career in the real estate industry and provide them with opportunities to have internships in agencies to kick-start their career."

DELIVERY OPTIONS EXPLAINED

FACE-TO-FACE CLASSROOM

This delivery mode is predominantly delivered in a classroom over the nominated time with regular weekly classes and school holiday term breaks This allows for a live interaction between students and trainers.

FLEXI LEARN

This delivery mode is ideal for learners capable of managing a high amount of self-directed studies. AIWT offer a combination of self paced learning and face to face monthly workshops.

TRAINEESHIPS

Traineeships are an excellent way to combine training with work, enabling you to have a job while you complete training towards a nationally recognised qualification. They are available to anyone of working age. You can do a traineeship even if you are still in school, re-entering the workforce or simply wishing to build on your career.

Traineeships can take between one to two years to complete and offer a broader range of vocational and occupational choices. A traineeship provides hands-on skills and work experience, and can improve your employment prospects and range of career choices. Please refer to https://www.dtwd.wa.gov.au/about-us#vet-fees-and-charges-policy for terms and conditions

SCHOOL BASED TRAINEESHIPS

School-based traineeships provide school students who are generally at least 15 years of age with valuable employment skills, hands-on industry experience and a nationally recognised qualification, while still completing secondary school qualifications.

As a trainee, you will go to school and, with the school's approval, you and a guardian (if you are under 18) will sign a training contract with an employer in your chosen industry. You will have an employer who will employ and train you on the job and AIWT will provide you with formal off-the-job training throughout your traineeship. A school-based trainee will complete 7.5 hours per week of paid work with an employer.

VOCATIONAL EDUCATION AND TRAINING (VET) IN SCHOOLS

Vocational Education and Training (VET) is a program delivered to Year 11 and 12 school students as part of your Western Australian Certificate of Education. We provide regular progress and attendance reports to parents and schools, ensuring students have the best chance of success.

PRIORITY INDUSTRY TRAINING (PIT)

Priority industry training programs and qualifications equip students to take up jobs in skilled occupations that are in high demand across Western Australia. Priority industry qualifications are updated each year to reflect changes in the WA economy. Delivery mode is classroom.
